Employee Incentive Program

EMPLOYEE INCENTIVES: REIMAGINED

We are proud to offer a unique employee benefit to employers - discounted fuel rates for their employees. These rates, typically only available to moEV subscribers, can now be offered to employees as a valuable retention incentive.

Employee retention is crucial for organizational stability and growth, as it fosters continuity and reduces recruitment costs. Offering great, exclusive benefit programs not only enhances job satisfaction but also incentivizes individuals to stay loyal, strengthening the long-term relationship between the organization and its workforce or members.

Offer Members Savings on Travel, Retail, and More Through BOOM

moEV has recently partnered with BOOM Group Inc to offer employee and member benefits like no other. Employee and member retention will increase with these valuable benefits in place, Thanking your employees for their service.

Save on Your Bottom Line

moEV's strategic partnership with Boom Group Inc not only offers exclusive discounts for employees across various sectors such as travel and retail but also presents a remarkable opportunity to significantly reduce corporate travel expenses.

By leveraging our services, your corporation can achieve substantial cost savings in various aspects of travel arrangements including flights, accommodations, car rentals, and more. On average, our clients experience impressive savings ranging between 30% to 60%, ensuring a more efficient and cost-effective approach to managing employee travel while enjoying considerable discounts on essential travel expenditures.
